## Sunday School

Parents, what are your thoughts for what you would like to have happen this fall? Sunday School teachers are working on the possibility of an 'at home' packet for our younger students, but we have no clear direction in which to head.

## Maurer's Round-Up Dollars

In August, customers were given the opportunity to round up their purchases to the nearest dollar, and Bethany Lutheran was the recipient of those extra cents, as well as several cash donations. In September, we received a check for \$3056.00 from Maurer's Market plus \$75 cash for a whopping total of **\$3131.00!** (One thousand of that was placed in the Bethany Scholarship Fund, and the rest was placed in the general operating fund.) Thank you to Maurer's and to the many customers who said yes to the round up program! Who knew how a few cents here and there could add up to so much!
