Special Gift for

Greetings!

The Church Council wants to strongly encourage everyone to consider a special gift this June to help give our **General Fund a needed boost for the summer.**

We have done okay managing to stay on top on everything. Now as we start the summer, it is always helpful to stay current on such expenses as our Church Mutual Insurance bill and our Otis Elevator annual contract. These expenses hit early summer and always add up quickly. We have as well our tuck-pointing project.

You can simply use your regular giving envelopes for the additional gift. Just mark on it, **"Make June Double."**

The Spirit continues to encourage and push us forward. **Christ empowers us to live boldly in the Gospel,**

Church Council
Pastor Craig Wolfgram
